

## e-Duke Scholarly Collection 2008 Pricing Information Sheet

---

The e-Duke Scholarly Collection includes online access to twenty-nine Duke humanities and social science journals. Pricing for the collection is based on the electronic-only subscription rate of titles without current content on Project Muse and is discounted at least 33%, depending on an institution's 2005 Carnegie Classification. **Before the discount, the regular list price for the individual electronic-only titles in the e-Duke Scholarly Collection is \$4,699.**

Access to all twenty-nine journals in the collection includes perpetual access to the 2008 issues as they are published, as well as calendar-year subscription access to all available issues from the 2000–2007 volumes.

The e-Duke Scholarly Collection is hosted by HighWire Press at [dukejournals.org](http://dukejournals.org). Subscribers must activate their subscriptions on HighWire before content can be used. For access instructions, please visit our Library Resource Center at [dukeupress.edu/library](http://dukeupress.edu/library).

### PRICING MODEL

The pricing model has been updated from 2007. We are now using the 2005 rather than the 2000 Carnegie Classifications to place institutions into tiers. Some institutions' classifications have changed, and their 2008 price may increase or decrease, depending on the new classification.

If your increase is more than 15%, you may opt to divide it over two years. If you do, the percentage held over to 2009 will be in addition to any baseline price increases made for that calendar year.
