

Welcome to the Duke University Press author reprint program.

Duke University Press partners with Sheridan Reprints to provide our authors with high quality reprints.

If you are an author of a journal article published by Duke University Press, you may use this site to purchase reprints of your work. Non-authors may purchase reprints after obtaining written permission from the copyright permissions manager at permissions@dukeupress.edu.

Article reproductions will print in either black and white or color, depending on the nature of the original publication. However, you may elect to print a color article in black and white at a lower cost. Any article that exceeds four pages in length will be bound in a booklet format.

To enhance your reprint, you may choose to add a title page or a blue vellum cover, for an additional cost.

Your order will be shipped approximately 2-3 weeks after print publication and the receipt of your order and payment.
