e-Book Subject Collections
from Duke University Press
African American, African, and Black Diaspora Studies 400+ titles

This collection includes important, interdisciplinary books about the Black experience around the world.

Anthropology 650+ titles

Duke University Press has helped define and redefine cultural anthropology for over thirty years, publishing major ethnographies by important authors.
Art and Art History 200+ titles

This collection spans the discipline, with books in art theory and criticism, performance art, architecture, visual culture, photography, and museum studies.

Asian Studies 350+ titles

This collection offers cutting-edge scholarship from a variety of disciplines about both contemporary and historical topics in Asian studies.
Gender Studies  700+ titles

This collection includes groundbreaking titles in gender studies, gay and lesbian studies, transgender studies, transnational women’s studies, and queer and feminist theory.

“Everyone should read this book.” — bell hooks

Latin American Studies  650+ titles

Duke University Press has been a pioneer in the foundations of Latin American Studies, publishing important work by key authors.

Titles address not just music and ethnomusicology as they are traditionally studied but also the social, cultural, and technological dimensions of sound more broadly defined.

This collection includes titles that examine religions around the world, conflicts within and among religions, and the cultural, social, and political dynamics of religion.
Features

• Unlimited simultaneous users

• Unrestricted digital rights management (DRM)—users can print, read online, or download PDFs by chapter

• Perpetual access
